• Possession of mullet and a gill net with a mesh size less than 1 7/8 inches knot to knot on board a boat from Oct. 24 - Dec. 31 is prohibited. (7)(a)(6).

Grand Bay
Ala./Miss. Line
Coffee I.
Portersville Bay
Marsh I. Cat I.
Shrimboat Reef
Mississippi Sound
W. Fowl River
D.I. Bridge
Aloe Bay Channel
D.I. Airport
Dauphin Is.
Pelican I.

West End of Dauphin Island west of longitude 88°11.500' open to use of gill nets 24 hours per day except for the Memorial Day, July 4 and Labor Day closures (7) (c)(e).

From 12:01 am on the day after Labor Day, Gulf waters including Pelican Bay, out to 3 miles, west of Old Little Lagoon Pass (in Mobile and Baldwin counties) open 24 hours a day through March 14 - then, from March 15 until 12:01 am the Saturday before Labor Day open from Gulf shoreline out to 1/4 mile 6:00 pm to 6:00 am (7) (a) (2) (c) (d).

Wildlife & Freshwater Fisheries Division jurisdiction.

All gill and trammel nets operated in Alabama waters under the jurisdiction of Marine Resources Division **must be constantly attended by person licensed or permitted to operate net** *(16).

Menhaden Requirements

The mesh size for commercial gill and trammel nets used for taking menhaden shall be one and one-quarter (1 1/4") inches knot to knot or larger *(5)(b).

Possession of mullet on board any vessel containing any type of entangling net (or if taken by cast net) is prohibited:

- From the first day after Labor Day until noon on October 24th north of the Gulf Intracoastal Waterway (GIWW) in Bon Secour Bay and Mobile Bay.
- From noon on October 24 to midnight October 31 north of a line running the north shore of Theodore Industrial Canal then running southeastward along the north edge of the TSC to its junction with MSC and then to Great Pt. Clear.

It is illegal to possess or use any entangling net, on (including aboard a boat), or in, the waters of Bon Secour Bay and Mobile Bay:

- From midnight on Oct. 23 to noon Oct. 24 north of the GIWW.
- From midnight on Oct 31 to noon Nov. 1 north of a line running the north shore of Theodore Industrial Canal then running southeastward along the north edge of the TSC to its junction with MSC and then to Great Pt. Clear (17).

PIERS - ARTIFICIAL REEFS

Use of any type of entanglement net is prohibited **within 300'** of any pier, marina, boat launching ramp or any of the following "relict" piers:

- Zundel's Pier
- Battles Wharf
- Old Daphne Steamship
- Quarantine Pier

or within 300' of the artificial reef areas established and marked by the Marine Resources Division. *(14)

Oct. 24 - Dec. 31. Closed to set nets in waters of Bon Secour Bay south of GIWW from Oyster Bay west to the last GIWW marker - and from that point southwestward to the north-western tip of the Fort Morgan peninsula. This area is open to "strike nets" during this period. *(11).

All Gulf waters closed to the use of recreational gill nets (7)(a) (5).

Gulf waters from Old Little Lagoon Pass east to Florida line closed from 12:01 am, May 8 to 12:01 am the day after Labor Day (7)(a)(2)(a)(b).

98-GF - 2 (2) (b) All commercial fishing operations, as well as recreational netting operations, and all gear used in any of such operations, in state jurisdictional waters south of Interstate 10 eastbound lanes (except that portion of Interstate 10 which lies north of U. S. Highway 90 [Battleship Pky.] in which case the line follows the Battleship Pky.) shall be subject to those laws, rules and regulations of the Marine Resources Division of the Department of Conservation and Natural Resources.

ROE MULLET / SPANISH MACKEREL PERMIT

• Required when using a mesh size of **one and seven-eighths inches (1 7/8")** knot to knot or larger to take any fish during the period of **Oct. 24 - Dec. 31**.

• Required for any person in possession of mullet while possessing, using, or attempting to use any commercial gill net or trammel net during the period of **Oct. 24 - Dec. 31** *(2).

• Required year-round for any person possessing Spanish mackerel while possessing, using, or attempting to use any commercial gill net, trammel net or other entangling net. *(3).

CAST NETTING - SNAGGING

Possession of more than **25 mullet** aboard any vessel engaged in cast netting or snagging in waters closed to gill netting is prohibited *(18).

Jan. 1 through Labor Day, closed fishing season for Fla. pompano by use of any net. Allowed incidental by-catch of pompano of no more than 5% by weight of other fishes taken (220-3-.60).

All Gulf waters including Pelican Bay closed from 12:01 am on the Saturday before Memorial Day until 12:01 am the day after Memorial Day each year, and from 12:01 am on July 4, 2003 until 12:01 am on July 7, 2003, and from 12:01 am on July 3, 2004 until 12:01 am July 6, 2004, and from 12:01 am the Saturday before Labor Day until 12:01 am the day after Labor Day each year (7)(a)(3).
